(To be held with MWA's TAC Meeting)

AGENDA

- Introductions:
Meeting Overview
- GAMA Program Overview:
State Water Board
- Study Unit Assessment Review:
US Geological Survey
- Wrap-up and Adjourn

Background:

This study unit includes the DWR defined groundwater basins of Upper, Middle and Lower Mojave River Valley in the South Lahontan Hydrologic Province.

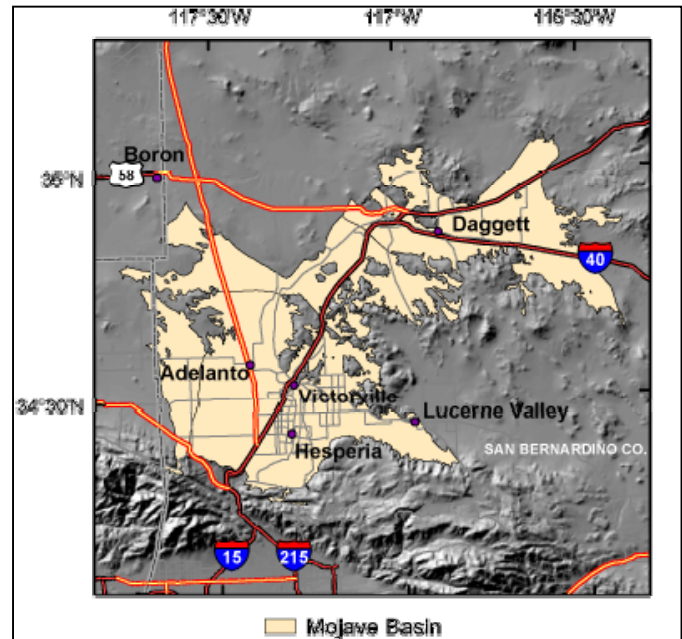

The GAMA Program was created as a result of groundwater quality concerns. Main objectives of GAMA are to improve statewide ambient groundwater quality monitoring and assessment and to increase the availability of information about groundwater quality to the public. Participation in GAMA is voluntary.

Directions:

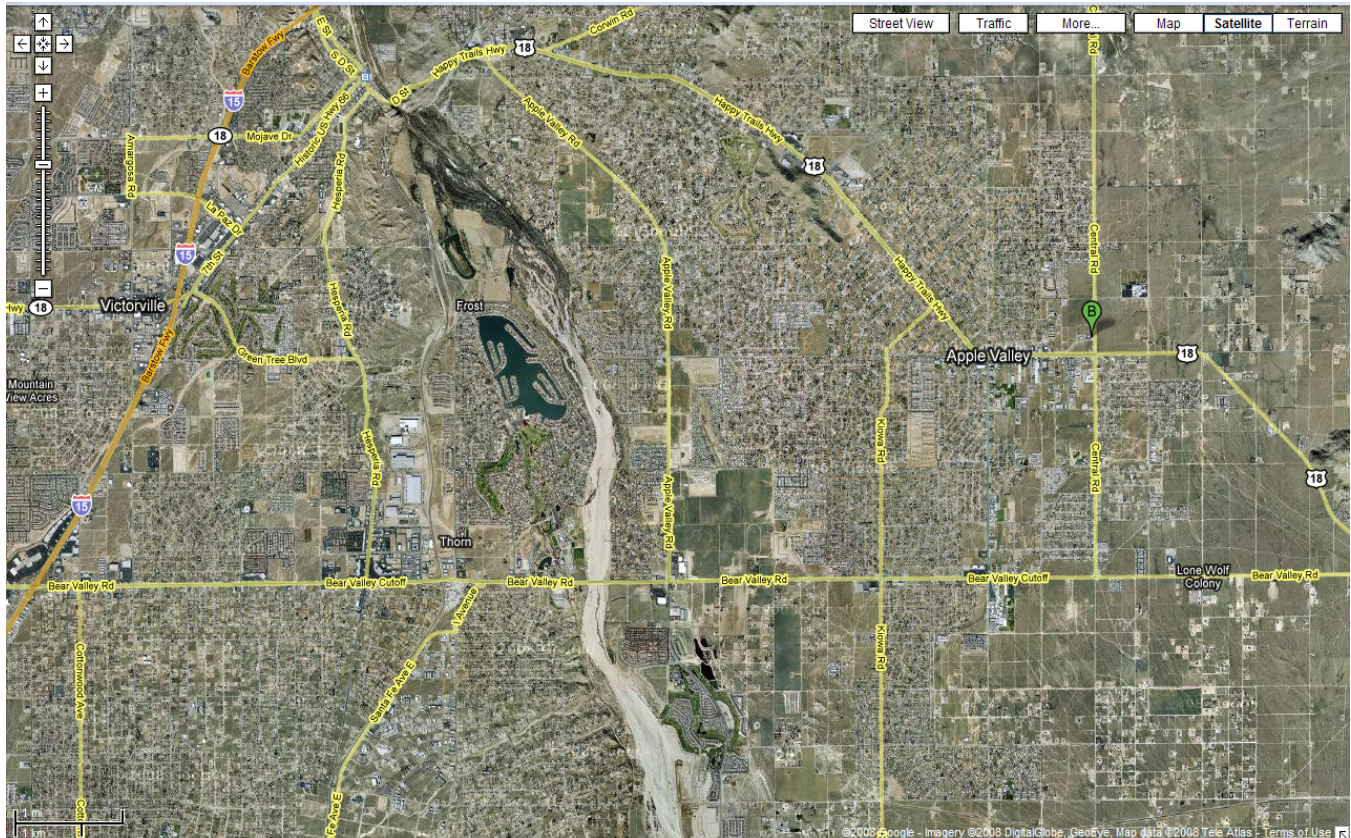

See next page for map.
